MT. ZION OF OAKWOOD MEMBER SERVICE PLEDGE

Many opportunities are available to serve and participate in the life of the Mt. Zion Baptist Church. Not all opportunities exist at any given time. However, an indication of your personal preference will be better recognized if you will take the time to let your church know what you really enjoy doing.

Listed below are some areas of present needs and possibilities for you. Please indicate (with an X in the appropriate boxes) what you would like to do at the Mt Zion Church-not necessarily what you feel you should do. Church life survives because of people like you getting satisfaction from involvement and participation.
