WHAT We Love to Do

Philippians 4:4-7

MINISTRY FOR YOU

MZOV.ORG

WHAT WE BELIEVE

THE LOCAL CHURCH

When you stepped over the line of faith and chose to follow Jesus, you became part of a movement. But this movement, Christianity, is not a solo sport. That's why the local church exists.

Each week, when we gather together as a church, we come to **worship God, discover his plan** for our lives, and learn how to **live out his priorities**.

As you continue to walk with faith, make a commitment to the local church. Because, as we learn from those who first stepped out to follow Christ, the local church is crucial to our growth and experience of the abundant life Christ has in store for us.

Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another—and all the more as you see the Day approaching.

—Hebrews 10:25

SERVING

Most of us want to make a difference; **we want to leave our footprint on the world**. And God has gifted each of us with a particular set of skills to do just that—**through the local church**.

As a new Christ follower, one of the most powerful lessons you can put into action is serving in the church; it's stepping outside of your comfort level and stepping up to serve others.

Jesus himself said that he did not come to be served, but to serve others. When you volunteer your time and talent in the local church, you will **discover the key to unlocking a life of influence and change**. Read these words from the Bible. And take the next step of serving in the church.

Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms.

—1 Peter 4:10

LIVING A LIFE OF WORSHIP

Worship is one of those words that many people think is just a "churchy" word. But the truth is that we all worship. Everyone has something they **focus on, respond to and celebrate**.

As a new believer, it is vital that you continue to worship. Just make sure you are directing it to the right place. As you step into your new life, remain focused on what Christ has done for you, respond to him with obedience and celebrate him daily with your words and actions.

But worship isn't something that only happens once a week in a church building. **It's a 24/7 deal**. It's what happens when you are at work, at the store, in the gym or even at home. And from Bible study to praying; from weekend services at church to journaling at home, worship is something that will **deepen and strengthen your relationship with Jesus** as you continue your walk with him.

Worship the LORD in the splendor of his holiness; tremble before him, all the earth!

—Psalm 96:9

BAPTISM

Simply put, baptism is **an outward display and celebration** of your inward decision to trust Christ with your eternity. It's **an act of obedience, a step of acknowledgement** that is representative of the fact that Jesus died on the cross, was buried and walked out of the grave, alive, so each of us can have eternal life.

When you step into the water, you are letting the world know that you have walked into a new life of faith in Jesus Christ and that you are committing to follow him down a new path. If you've made the decision to follow Jesus, baptism is **the next step in your spiritual journey**.

You will be his witness to all men of what you have seen and heard. And now what are you waiting for? Get up, be baptized and wash your sins away, calling on his name.

—Acts 22:15-16

WHAT WE BELIEVE (IN FOUR STEPS)

UNDERSTANDING YOUR DECISION TO FOLLOW CHRIST

Yet to all who received him, to those who believed in his name he gave the right to become children of God. —John 1:12

MAN GOD
GOD LOVES YOU
and has a plan for your life.

1

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." —Jeremiah 29:11

MAN GOD
**YOUR SIN CAUSES
A COSMIC CHASM**
between you and God.

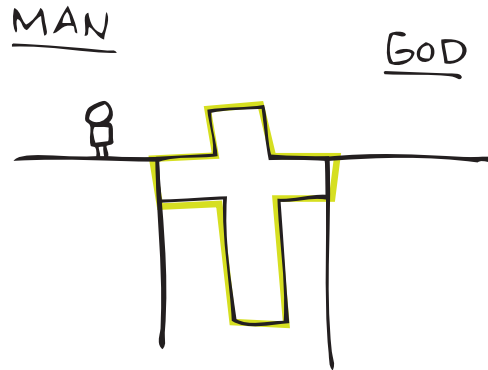

-SIN-

2

But your iniquities have separated you from your God; your sins have hidden his face from you, so that he will not hear.
—Isaiah 59:2

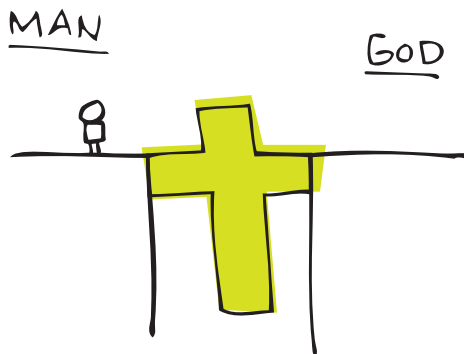

3

**GOD SENT
JESUS CHRIST**
to die on the cross.

But God demonstrates his own love for us in this: While we were still sinners, Christ died for us. —Romans 5:8

4

IT'S YOUR CHOICE
to receive the gift or not.

...if you confess with your mouth, "Jesus is Lord," and believe in your heart that God raised him from the dead, you will be saved. For it is with your heart that you believe and are justified, and it is with your mouth that you confess and are saved. —Romans 10:9-10

Why I Love a Large Church

Why I Love a Large Church

Mt. Zion Church of Oakwood has become a large church. While we rejoice over the way the Lord has blessed this congregation, some who are not familiar with a large church are intimidated by it. There is a misconception that a big church is cold and formal or will neglect its people and compromise its principles.

There are dangers that are unique to a large congregation, just as there are to a small one, but there are also many advantages about a big church that make it special.

1. A large church is scriptural. The first church began with 3,000 members (Acts 2:41)! It grew every day until the number of men grew to about 5,000 (Acts 4:4). These people met in homes, but they also met together in the temple courts (Acts 2:46). We believe that when the Lord's hand is on His church, it will grow (Acts 11:21). Church growth will vary according to the size of the community and the receptivity of the people, but the church was meant to be an expanding body.

2. A large church can provide rich fellowship. The first church began with 3,000 members and they continued in the apostles' teaching and fellowship (Acts 2:42). They came to know and appreciate one another. In a large church, that fellowship is provided through many small group opportunities, such as adult Bible study, youth groups, children's ministry, and accountability groups.

3. A large church provides an excellent opportunity for evangelism. It is much easier to invite others to come to church with you if the church is large. There are many special services and quality programs that provide opportunities for Christian to invite friends and family members. Also, the unchurched are often more likely to attend since they do not feel threatened in a large group. Soon they begin to feel comfortable and the truths of the gospel sink in.

4. A large church provides many opportunities for service. Some people assume they are not needed in a larger body. That's far from the truth. The large church has more opportunities to serve than in a small church because there are more positions to fill.

5. A large church is inspirational. Most of us enjoy going to athletic contests when there is a "packed house." There's something about a large number of people that creates excitement and generates energy. Jesus said He wanted His house to be full (Luke 14:23). It's inspirational to sing and share with thousands of Christians. It's thrilling to hear a large choir or to enjoy an excellent drama.

6. A large church has a positive influence. There is strength in numbers. One church of several thousand has an opportunity to witness to and influence in missions and world outreach. Our size enables us to provide meaningful support ministries to those who need special attention.

7. A large church prepares us for heaven! In Revelation 7:9 (NIV), the Apostle John described his vision of heaven, "...I looked and there before me was a great multitude that no one could count, from every nation, tribe, people and language, standing before the throne... wearing white robes..."

The large church has been used by God to evangelize the lost, edify the saved, minister to those in need and be a conscience in the community. We invite you to join us as we seek to glorify God's name in a big way.

COMMUNITY HIGHLIGHT

CREATING COMMUNITY WITH YOU

MINISTRY TO SENIORS

“...they flourish in the courts of our God. They still bear fruit in old age; they are ever full of sap and green, to declare that the LORD is upright...” — Psalm 92:13-14

THE BIBLE SAYS Whoever trusts in the Lord will continue to bear good fruit at every stage of their life. The certain promise of God to his people is that he will always be at work in and through us, regardless of our circumstances, abilities, or age. This is an essential truth for the older adults in our church. We live in a world that frequently marginalizes and dismisses the role and value of older adults. This must not be so for God's people, for older adults play a vital role in the life of the church

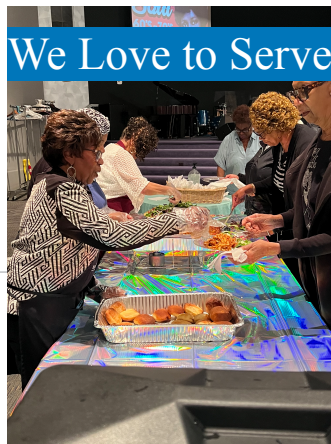

Whether it is training a younger generation, sharing wisdom, or recounting God's faithfulness in times of peril, older adults have an important function in the kingdom of God. Such ministry must seek to minister to, with, and from older adults. IN THE NEXT 2 YEARS we intend to equip, support, and promote older

MZOV DOING MINISTRY

MZOV is over 100 years old! Our Lead Senior Pastor Dr. Macon has served over 40 years, and our Seniors Pastors Larry and Dan have served over 20 years in leading God's vision for the church, to make disciples, save the lost, help those in need and impact the community for the Good News of Jesus Christ. We thank every member and friend who has helped in this mission.

We need your help in continuing this vision! How can you help? We are glad you asked. We want every

member to be involved in at least one ministry in the church, from Sunday Service Choir, Usher,

Welcoming people, outreach, special events, working on the cameras, teaching the children and youth to weekday ministries such as visiting the Nursing Home with us, feeding at our New Food Pantry along with so many other works we do.

We also have been in constant renovations of our Dream Center children's areas, our upcoming "Soul Cafe" and we will be needing to do building yearly maintenance soon.

At Mt. Zion we want Sunday to be the best days of the week for everyone, especially children and youth! We have a special place for toddlers and your child, **Sundays at 8:30am, 11am & 11:30am.** Our children and youth ministries provide a safe, spiritual and fun environment.

It is located on the side of the Church where we provide a cafe for parents to enjoy and wait for the children. Know your child is in a place where God's Word comes to life through drama, video, music and so much more.
